

Guidelines for oral presentations:

Invited Talks:

- Duration: 25 minutes for the presentation + 5 minutes for Q&A.
- For symposia with 3 invited talks, the time per speaker will be slightly reduced. Please check with the symposium chair for the exact timing.

Selected Short Talks:

Duration: 12 minutes for the presentation + 3 minutes for Q&A.

Technical Setup:

- A technician will be present in each room. Please provide your slides to them before your session.
- Slides must be in PowerPoint format (16:9) and will be projected from the room's PC.
- To ensure smooth transitions and timing, we strongly recommend not using your own laptop.

If you choose to use your own device, you must connect it directly from the podium, and allow sufficient time to set up.
